**DETAILED ACTION**

1. Receipt is acknowledged of the Amendment filed 1 December 2003.

***Priority***

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

***Allowable Subject Matter***

3. Claims 1-22 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fail to teach or fairly suggest a smart card reader comprising, among other things, a double click device that includes a largely planar cam forming wall that has a recess forming a cam part, the double click device having a cam follower part engaged with the cam part, with one of the parts mounted on a frame device and the other mounted on a carriage device; the largely planar cam forming wall lies in a substantially vertical plane that is substantially normal to a lateral direction that is horizontal and perpendicular to the longitudinal directions, to thereby minimize the lateral width of the double click device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
